C.L. "Butch" Otter, Governor  
Toni Hardesty, Director

### **Project Certification as required by the American Recovery and Reinvestment Act of 2009**

The Director of the Idaho Department of Environmental Quality hereby certifies that the loan application for the Caribou Acres Water Company, DWSRF Loan #DW1003, has received full review and vetting required by law and the Department accepts full responsibility that the loan to the Caribou Acres Water Company is an appropriate use of taxpayer funds pursuant to the American Recovery and Reinvestment Act (ARRA).

The loan to the Caribou Acres Water Company is for installation of a third well, improvements to well #1 and #2, improvements to existing storage tanks, installation of a new storage tank, improvements to the distribution system, upgrades to booster pumps and connection to the new storage tank, corrosion control treatment, leak detection, irrigation system feasibility study, and a conservation study. The project is estimated to cost a total of \$500,000, of which \$500,000 of ARRA funds will be used.

Dated September 28, 2009
